"The capacity of coaches has grown exponentially! The networking across the state is comprehensive and inspiring!"

- Instructional Coach

"That instructional coaching (that follows the PIIC model) truly works and is the only thing I have seen in my 12 years in public education that actually changes teaching practices, increases engagement, and improves student performance. It's a win-win for all!"

- Instructional Coach

"The quality of the Professionals involved with PIIC is very encouraging. Both the coaches and the mentors are knowledgeable, resourceful and dedicated."
