

“Being new to coaching, I was super impressed by the whole process. I am still finding my role within our school, but I am energized by the ideas I took away and the connections I made. My head is still spinning from all the ideas I took from the PLO.”

– Instructional Coach

“The scenario's were excellent and allowed for good conversations and affirmed some of the things I do as well and gave me pause to think about some other practices.”

– Instructional Coach

“This is the BEST professional development I have ever been to in my 21 year career! WOW! The level of learning in each session and the opportunities to connect with others who also coach was second to none! THANK YOU for this opportunity! Can't wait to come back!”

– Instructional Coach

“Being this was my first time attending a PLO, it exceeded all of my expectations. I learned so much from the sessions and thought the presenters were excellent!”

– Instructional Coach

“Amazing conversation to support the strong professional learning experiences. ALL will be used in my district to support all levels of instruction.”
